

Academic partners

The University of Worcester is proud to work with various partners to support a range of projects. We develop formal partnerships where these projects are long term and achieve at least one of the following outcomes:

1. widening participation in higher education
2. progressing students to UW from within / outside the UK
3. raising aspirations and awareness of HE
4. achieving high quality and viable collaborative provision of courses
5. increasing the diversity of UW students

Get in touch

If you would like to discuss forming a partnership with the University of Worcester, please contact the partnership team:

partners@worc.ac.uk
