Visiting us is the best way to get a feel for student life at the University of Worcester. Explore the campus, meet our lecturers and talk to current students.

Five reasons to visit

1. Learn more about your course at our subject specific talks
2. Speak to staff, students and recent graduates about what it's really like to study at Worcester
3. Explore the University for yourself on a campus tour
4. Look around our halls of residence and chat with the students living there
5. Get advice on completing your UCAS application from one of our graduates

Can't make any of our open days? Don't panic!

You can still visit us by booking a weekday guided campus tour.

Let us know a time and date that suits you, and we will do our best to organise a campus tour that covers everything you need to know.
